

WILLIAM F. FLEMING

Landscape Design Assistant

William F. Fleming is a graduate from the University of Rhode Island with a Bachelor's Degree in Landscape Architecture. Since 2003, Bill has assisted on a wide variety of projects within the firm, including design development on high-end residential; custom light fixture design studies; landscape permit plans for large-scale commercial/retail projects; and preparation of presentation graphics for public hearings. Bill brings a growing knowledge of current computer program technology plus numerous years of practical construction experience with residential and historic properties to the firm's growing project list.
